O R D E R

On July 2, 1987, the Commission issued an Order containing a procedural schedule. On July 7, 1987, the Commission issued an Order setting these cases for hearing on September 10, 1987, at 9:00 a.m., Eastern Daylight Time, in the Commission's offices.

In the time since the hearing date was set, parties have filed several motions which the Commission has under advisement.

Also, on June 29, 1987, U.S. Sprint filed a tariff proposing to introduce Direct 800 and ULTRA 800 service. By Order dated August 31, 1987, the Commission consolidated the investigation of these tariffs with Case No. 9902.

On July 23, 1987, MCI Telecommunications Corporation filed a tariff proposing to introduce two new services, Prism I and Prism II. By Order dated August 31, 1987, the Commission consolidated the investigation of this tariff with Case No. 9928.

Because of the outstanding motions and the consolidation of the new tariff proposals into this case, the Commission finds that the hearing date should be postponed until further notice.

BE IT SO ORDERED.

Done at Frankfort, Kentucky this 3rd day of September, 1987.
